My Condominium Apartment and my Lease Agreement

1. Who are the parties to my Lease?

This Lease is between the Owner and the Residents listed in the Summary. When we use the terms “we,” “our” or “us” in this Lease, we are referring to the Owner or to the Manager acting on behalf of the Owner. When we use the term “you” or “your” in this Lease we are referring to the Residents, individually and collectively. The company listed as “Manager” in the Summary is the manager of the Community and has the authority to act as agent for the Owner in managing the Community. The Manager may or may not be the same company as the Owner.

2. Which Condominium Apartment and non-residential units (garage, storage) am I renting?

You are renting the Condominium Apartment listed under “Apartment Home” in the Summary. Your Condominium Apartment is located in the apartment Community listed under “Apartment Address” in the Summary. In addition, if you have elected to rent a Garage or Storage Unit, those units are listed in the Summary under “Assignments.” Your Condominium Apartment and the Community, including all buildings, common grounds, amenity and parking areas, are together called the “Premises.” You may only use the Condominium Apartment as a private residence, unless you have first obtained our written approval, which we may give or withhold in our sole discretion, subject to applicable law. Lofts may not be used as bedrooms.

3. Who is allowed to live in my Condominium Apartment?

Only the individuals and pets specifically identified in the Summary may live in your Condominium Apartment. You are not permitted to take in boarders or roommates without our prior written consent, which we may give or withhold in our sole discretion or as otherwise required by law. No one other than the Residents and Occupants identified in the Summary may stay in your Condominium Apartment for more than four consecutive days or more than eight individual days in any one calendar month without our written permission.

4. Can I sublease or assign my Apartment Lease to someone else or list it or lease it on any third party short term or long term rental or b and b service?

Subletting or securing a replacement resident, and any assignment of this Lease by you, will be allowed only with our prior written consent, which may be granted or withheld in our sole discretion, or as otherwise required by law. If we permit you to sublet your Apartment or assign this Lease, you will remain responsible for the payment of all amounts due under this Lease and the performance of all other obligations under this Lease, including payment for any damages. If you request that we consent to the sublease or assignment of your Lease, we may elect, at our sole option, subject to applicable law, to terminate your Lease and enter into a new Lease directly with the person to whom you propose to sublease or assign.

Under no circumstances are you to rent space in your Apartment home to occupants on a short-term basis for any short-term occupancy, or to advertise your Apartment home for rental by any short-term or transient occupants, including without limitation on sites such as Airbnb, craigslist, Expedia, Hotels.com or other similar locator sites. Listing or renting your Apartment home on any such site is a violation of this Lease.

5. When can I move into the Condominium Apartment?

You may move into the Condominium Apartment on or after the Lease Begin Date set forth in the Summary. Although we expect the Condominium Apartment to be ready for you on that date and it is rare that a Condominium Apartment is not ready for a resident, in the event that the Condominium Apartment is not ready for you to move in on the Lease Begin Date, neither the Owner nor the Manager will be liable for the delay. However, you will not be required to pay Rent and other monthly charges during the period of the delay.

If there is a delay in availability of your Condominium Apartment of more than 14 days, you may terminate this Lease by providing written notice to us up to the date when you are advised that the Condominium Apartment will be ready for occupancy within 7 days, but no later.

If we allow you to move into your Condominium Apartment prior to the Lease Begin Date, you must begin paying Rent and performing your other obligations under this Lease beginning on the date you actually move into your Condominium Apartment. The date you move into your Condominium Apartment will not affect the Lease End Date or other terms of the Lease.

6. How long does my Lease run?

The Lease begins on the Lease Begin Date specified in the Summary and ends on the Lease End Date specified in the Summary, unless it is either terminated, extended or renewed under the provisions of this Lease.

- a. Terminated: This Lease may be terminated by us if you default (See the answer to Question 21 below), or by you and us if we together change the Lease End Date (See the answers to Questions 43 and 44 below).
- b. Renewed: We may offer to renew your current Lease at any time before the end of the current Lease, but we have no obligation to do so. Your renewal lease term would begin at the end of the term of this Lease and may be on different terms from this Lease, which will be reflected by a new Lease signed by you and by us.
- c. Extended: **BY ENTERING INTO THIS LEASE AGREEMENT YOU AGREE THAT IF YOU DO NOT SEND US WRITTEN NOTICE OF YOUR INTENTION NOT TO RENEW YOUR LEASE AT LEAST THIRTY (30) DAYS PRIOR TO THE LEASE END DATE, YOUR LEASE WILL BE AUTOMATICALLY EXTENDED ON A MONTH-TO-MONTH BASIS AT OUR OPTION UNLESS WE GIVE YOU NOTICE AT ANY TIME PRIOR TO THE LEASE END DATE THAT THE LEASE WILL END ON THE LEASE END DATE WITHOUT A MONTH-TO-MONTH EXTENSION.** If we permit you to continue as a Month-to-Month resident, you must pay the Community's market month to month rent for your Condominium Apartment at that time (as determined by us in our sole discretion and communicated by us to you at least thirty (30) days prior to the Lease End Date).

If you are or become a Month-to-Month resident your Lease will automatically be renewed on a month-to-month basis, unless you or we provide thirty (30) days' prior written notice to the other of termination. In addition, we will have the right to increase your Rent from time to time upon thirty (30) days' written notice to you, subject to applicable law.

We may give you notice any time through the Lease End Date that we intend to terminate the Lease as of the Lease End Date and will not renew on a month-to-month or any other basis. **Nothing in this section is intended to waive our right to immediately file suit for eviction, without prior notice, if you remain in possession of the Condominium Apartment after the Lease End Date without our permission or consent.** If we give you notice of our intent not to renew your Lease and you do not vacate the Condominium Apartment prior to the Lease End Date, then you will be a holdover resident and we reserve the right to terminate your tenancy pursuant to applicable law.

7. What if I sign this Lease and do not move into my Condominium Apartment?

By signing this Lease, you have committed to pay Rent and Other Charges through the Lease End Date. This means that even if you do not take possession of your Condominium Apartment, you will remain liable for all of your obligations under this Lease, subject to our duty to take reasonable actions to rent your Condominium Apartment to another resident. However, if, for any reason, you are unable to occupy your Condominium Apartment home after you have signed this Lease but before the Lease Begin Date, you have the right to make us an offer to terminate this Lease by sending us a written notice offer prior to the Lease Begin Date that is accompanied by an amount equal to one month's rent. You agree that such Termination Charge will be retained by us as consideration for our having taking off the market and reserved the Condominium Apartment home for you from the date you sign this Lease Agreement until the date we receive the written notice and termination payment from you. If we accept your written offer and Termination Charge, your obligations under this Lease will terminate effective as of the date we receive such written notice and the termination payment, and we will refund your Security Deposit and, if applicable, Pet Deposit pursuant to the terms of the Security Deposit Agreement. If this termination is prior to your initial Lease term, we will also refund the common area/amenity charge that was paid. We will not refund any other charges.

8. Who should I contact if I have questions or concerns regarding this Lease, my Condominium Apartment or the Community?

If you have questions or concerns regarding this Lease, your Condominium Apartment or the Community, you should contact a representative of the Manager. You can stop by the leasing office during office hours, which are posted, or call the phone number listed on Document 3 (the Community Specific Terms) attached to these Questions and Answers and made a part of your Lease. For formal legal issues relating to the Lease or your residence at the Community, please send any notices in accordance with the answer to Question 53 below.

My Financial Obligations Under the Lease

9. Who is responsible for paying the Rent and meeting other Resident obligations?

Each of the Residents is responsible (on a joint and several basis) for paying all of the Rent and meeting all of the other obligations of the Residents under this Lease. This means that if one Resident does not pay his or her share of the Rent or perform the other obligations of the Resident under this Lease, the other Residents are responsible for paying the full amount of the Rent or performing those obligations. You may enroll in Avalon Access's online Recurring Payment to pay your rent each month. Instructions for enrolling and forms are provided in Avalon Access. When you enter into a renewal lease or move to a month-to-month lease,

you will be authorizing us to deduct from your bank account the percentage of your new rent and charges previously authorized for your current rent and charges. Pursuant to Title 12 of the Code of Federal Regulations, section 205.10(d), this statement serves as notice of varying transfers from your account. Unless you otherwise contact us, by entering into a renewal lease or month-to-month lease you agree to and opt out of any further notice from us concerning any change to the automatic deduction from your bank account, unless the percentage to be deducted exceeds the amounts listed above.

10. What is my rent under the Lease?

Your monthly rent for your apartment home is listed under Base Rent on the Summary and must be paid without notice, demand, offset, deduction or recoupment.

11. What are my monthly financial obligations to the Owner and Manager under the Lease?

Your monthly financial obligations to Owner and Manager under the Lease consist of your Base Rent for your Condominium Apartment and the recurring charges for any Garage or Storage Unit you are leasing, together with all other Recurring Monthly Charges identified in the Summary. **The total amount you must pay monthly is provided for you on the last page of the Summary and is called "Total Monthly Charges."**

If the Lease Begin Date on the Summary is other than the first day of a month, your first month's Rent will be prorated, and is identified in the Summary as "First Month Proration". If the Lease End Date on the Summary is other than the last day of a month, your last month's Rent will also be prorated and you will be provided with the prorated amount prior to the date such last month's Rent is due.

12. Will I have any other financial obligations to Owner and Manager under the Lease?

In addition to the Total Monthly Charges, you will be responsible for the following, if applicable as noted in the Summary:

- a. Late Charge: If your Rent is not paid before the Late Charge Date identified in the Summary, a Late Charge in the amount specified in the Summary will be due immediately. In the event of such late payment, we reserve the right to require that both the Rent and the Late Charge must be in the form of a money order, cashier's check or certified check. By signing this Lease, you are indicating that you understand and agree that the Late Charge is fair, reasonable and acceptable compensation to us, for the expenses and harm that we suffer when your Rent is not paid on time. You also acknowledge that it would be extremely difficult and burdensome for us to calculate, assess and collect compensation for such expenses and harm each time there is a delay in receiving your Rent.

We reserve the right to require that any Rent that is paid after the Late Charge Date must be in the form of a money order, cashier's check, or certified check. If you give us a check that is returned for "insufficient funds" or for any other reason, or if credit card or ACH payments are disputed for fraudulent activity, you may be required to pay all Rent by money order, cashier's check or certified check.

- b. Returned Check Fee: If you send us a personal check (for your Rent, Other Charges, Security Deposit or any other reason) and when we deposit the check it is returned for "insufficient funds" or for any other reason, you agree to pay the Returned Check Fee specified in the Summary as compensation for our expenses in processing the returned check. You will also be liable for any Late Charge incurred as a result of the check being returned. The Returned Check Fee is due with the redeeming payment.
- c. Monthly Pet Cost: If we permit pets (as provided in Document 4 (the Community Policies)) and you elect to keep a pet or pets, you agree to pay for each animal, bird, or pet of any kind that is to be kept in or about your Apartment, the Monthly Pet Rent in the amount specified in the Summary. The Monthly Pet Rent is to be paid each month with your Rent.
- d. Reimbursements: You are required to immediately reimburse us for the full amount of any loss, property damage or costs of repairs or service caused by negligence or improper use of the Premises by you, your household members, guests, invitees, agents or pets. These amounts include any damages or costs we suffer that are caused by a breach by you of any provision of the Lease. Any reimbursement you owe will be due immediately upon demand by us.
- e. Utilities: You may be responsible for paying for one or more utility services to your Condominium Apartment. See the section on "Utilities" below for more information.
- f. Unreturned Keys: If you fail to return keys, remotes or other access devices that we give to you, you must pay any associated replacement costs.
- g. Month-To-Month Premium: If you are or become a Month-to-Month resident, in addition to all

other amounts due under this Lease, you will be required to pay the then current market month to month rent for your Condominium Apartment that we determine in our sole discretion.

- h. Additional Amounts: You will also be required to pay any other amounts set forth in the Summary, required by other provisions of this Lease, or payable in accordance with Community policies.

13. Where and when do I pay my Rent?

Your Monthly rent is due on or before the first day of each month. Ordinarily, as long as you remain current in your financial obligations, you may choose to pay your rent by check, money order or cashier's check made payable as provided in document 3 (Community Specific Terms). We will accept cash payments to the extent required by law.

You may make your Rent payment electronically. It's easy to enroll in the on-line recurring bank debit program.

- Log on to www.avalonaccess.com
- Click the "Pay Your Rent" tab
- Click the "Recurring Payments" sublink
- Complete the required information
- Click "Submit"

Unless otherwise directed by the Manager or the Owner, your payment must be sent to the address provided to you by the Community and received by us by the due date. We are not obligated to accept partial or late payments of Rent but may elect to do so, at our sole option. Our acceptance of any partial payment does not relieve you of your obligation to pay the outstanding balance due. Payments made by check may be processed using electronic check conversion. By sending your check to us, you authorize us to copy your check and use the account information from your check to make an electronic fund transfer from your account in the same amount as the check.

We reserve the right to require that any Rent that is paid after the Late Charge Date must be in the form of a money order, cashier's check, or certified check. If you give us a check that is returned for "insufficient funds" or for any other reason, you may be required to pay all Rent by money order, cashier's check or certified check.

Your Rent payments will be credited to your account on the date they are processed by us, provided your check is not returned. Any Rent payment received after legal action has been initiated by us may be accepted, with or without written reservation of our rights, and will be applied to delinquent Rent due.

14. Will my financial obligations change during the Lease term?

While we have no current plans to increase or decrease your financial obligations during your Lease term, occasionally circumstances change and an additional fee or charge is assessed against the Community, such as additional taxes or utility fees. Where we are permitted by applicable law to pass these fees or charges through to the residents of the Community, we may elect to do so by providing you with written notice in accordance with any applicable laws. In particular, if a sales tax is implemented or increased and is applicable to your rental of the Condominium Apartment or a Garage or Storage Unit, you agree that we will have the right to pass that new or increased sales tax on to you.

15. Am I required to pay a security deposit?

You are required to pay the Security Deposit as set forth under "Summary of Required Deposits" on the Lease Summary. We will hold this amount to secure the performance of your obligations under the Lease, in accordance with applicable law and the terms of the Security Deposit Agreement that you sign at the same time as, and incorporated by reference into, this Lease. You may not apply this amount to the payment of Rent or other charges.

Rules and Regulations

16. What rules and regulations will apply during the Lease term?

You and your household members, guests, invitees and agents are required to comply with all reasonable rules and regulations made now or later by us pertaining to the Community. These rules include both (i) Document 4 (the Community Policies), and (ii) rules and regulations posted at the Community from time to time. You must obey all laws and ordinances applicable to your Condominium Apartment and the Community, and you, your household members, guests, invitees, agents and pets must not be disorderly or disturb other residents.

17. Are there any general behavioral guidelines?

You must, and must cause your household members, guests, invitees, agents and pets, to (i) show due consideration for neighbors and not interfere with, disturb or threaten the rights, comfort, health, safety, convenience, quiet enjoyment and use of the Community by us, other residents and occupants and any of their guests, invitees or agents, (ii) not engage in abusive conduct toward us or our employees or agents, or (iii) not unreasonably interfere with our management of the Community.

18. What if I don't follow the rules and regulations?

As noted in the answer to Question 21 below, violations of any rules and regulations are a default under the Lease and, in addition to any other rights we may have, we have the right to terminate the Lease and take possession of the Condominium Apartment in accordance with applicable law. Notwithstanding any other provision of this Lease, under no circumstances are you entitled to a cure period for a violation of law or any criminal activity.

19. What if my guests or other Occupants don't follow the rules and regulations?

You are responsible for the behavior of your guests, invitees, pets and other Occupants of your Condominium Apartment. We have the right to exclude from the Community any person who violates any of the rules and regulations or who unreasonably disturbs other residents or any of their guests or invitees or any of our employees or agents. In addition, we may exclude from any common area of the Community a person who refuses to show photo identification or refuses to identify himself or herself as a Resident, Occupant, or a guest, agent or invitee of a specific Resident.

Default Provisions

20. When will I be in default under this Lease?

You will be in default under this Lease if you do not timely comply with any of the terms of this Lease, including without limitation Document 4 (the Community Policies) as amended from time to time, subject to any notice or cure periods identified on Document 3 (the Community Specific Terms).

21. What are the consequences of being in default under this Lease?

If you are in default, we have many remedies under this Lease, including the right to terminate this Lease. In addition, you agree to pay us all costs and fees, including attorney's fees, litigation and collection costs that we incur in enforcing our rights under this Lease, to the fullest extent to which we are entitled to collect such sums from you under applicable law. If permitted by law, such costs shall include a Preparation Fee ("Preparation Fee") for the cost of preparing a summons, complaint or other appropriate legal documents, which may be prepared at any time after Rent becomes due and owing. The Preparation Fee is non-refundable, and is due if Rent is not paid on time and such other documentation is prepared. It is generally our policy that the Preparation Fee must be paid with all other Rent due in order for the legal action to be terminated, although we are not required to terminate the legal action in any case.

If you do not pay Rent as required by this Lease, or you are otherwise in default, and we recover possession of the Condominium Apartment, whether by an eviction proceeding or otherwise, you will remain liable for our actual damages due to your breach of this Lease. Actual damages may include, without limitation, a claim for Rent that would have accrued through the end of the Lease Term or until a new tenant starts paying Rent under a new lease for the Condominium Apartment, whichever occurs first. If, in an effort to mitigate our damages, we reasonably re-rent your Condominium Apartment at a lower rental rate, actual damages for which we seek reimbursement may also include the reduction in rent we receive during the remainder of your original Lease Term.

If at any time you are in default under this Lease, or have given us good cause for your eviction pursuant to applicable law, we are entitled to reenter the Condominium Apartment as permitted by applicable law. If you continue to occupy the Condominium Apartment we are entitled to proceed by a summary dispossession proceeding, or by any other method permitted by applicable law, and to remove all persons from possession of the Condominium Apartment as permitted by applicable law.

Utilities

22. Who is responsible for paying for utility services to the Condominium Apartment?

We will pay for the utility services to your Condominium Apartment that are marked "yes" on the Summary under "Owner Utility Obligations" and the costs for those utility services are included in your Base Rent. You will be responsible for paying costs for or associated with all other utility services ("Utility Charges"), as described below as additional rent. You understand that we are not a utility company and you agree that we are not liable for any inconvenience or harm caused by any stoppage or reduction of utilities beyond our control.

23. How will I be billed for utilities that are not included in my Base Rent?

For each utility that is not included in your Rent, you will be charged for the availability and/or usage of the utility through either "Direct Utility Billing" or "Allocated Billing", as described more fully below as additional rent:

(i) Direct Utility Billing – The utility provider will bill you directly on a separate metering and billing basis. It is your sole responsibility to initiate such service in your name before accepting the Condominium Apartment (or after we discontinue service), and to terminate the service prior to vacating the Condominium Apartment. Your community consultant can provide you with information about local utility companies and how to initiate service. If you fail to initiate such service in your name, we may bill you (either directly or through a billing company with which we have contracted) for any utility service you receive which is charged to us. Such bills may include a reasonable administrative fee as additional rent. You hereby authorize us to serve as your agent to receive copies of your utility billing records directly from the utility provider.

(ii) Allocated Billing - We or our billing agent will allocate and bill you directly for a portion of the utility charges we incur for the whole Community, with your allocated portion determined on a sub-metering, square footage or other billing basis, as described in more detail under "Utility Billing Methodology" on Document 3 (the Community Specific Terms). Such bills may include an administrative fee from our billing agent. If so, the maximum amount of the administrative fee is identified on Document 3 (the Community Specific Terms).

In the case of Allocated Billing, your community consultant can share with you the approximate Utility Charges for utility service for your Condominium Apartment based on historical amounts, but we cannot guarantee what your charges will be and they will vary based on the factors described on Document 3 (the Community Specific Terms).

In the case of Allocated Billing, subject to applicable law, we may modify the Utility Billing Methodology by which your allocated portion of the bill is determined for any utility during the term of this Lease by providing you with at least thirty (30) days' prior written notice of such modification. This includes, but is not limited to, submetering the Condominium Apartment for certain utility services. All amounts due from you for Allocated Billing, determined as provided on Document 3 (the Community Specific Terms), must be paid by the due date specified on the bill. In addition, failure to pay a bill for Utility Charges from us when due will be failure to pay Rent, triggering all of our remedies for non-payment of Rent set forth in this Lease and under applicable law. You agree that, unless prohibited by applicable law, we will subtract from your security deposit the amount of your final bill for Utility Charges and unpaid balance due.

You agree to pay all Utility Charges during the term of this Lease, including any utility deposits. Further, to the extent permitted by law, if you fail to pay Utility Charges, and we are assessed by the utility company for these Utility Charges, then we may pay these assessments to such utility company and subtract a like amount from your Security Deposit and/or you will be responsible for paying such amounts, including an administrative charge. Further, if you fail to pay Utility Charges, and power to your Condominium Apartment is cut off by the utility provider, you will be in default under this Lease.

You acknowledge that we are not a utility company and we are not responsible for the supply of utility services or water to your Condominium Apartment, even for those services for which you are billed on an Allocated Billing basis. In the event of interruption or failure of utility or water service provided to the Community by the local utility or water company, including but not limited to an inadequate supply, poor pressure and/or poor quality, you will look solely to the local utility or water company for any damages you incur and you waive any claim against us, subject to applicable law.

24. Do I have to contact any utility companies?

Yes. You must contract directly with the appropriate utility company for each utility service not provided at our expense (i.e., marked "no" under "Owner Utility Obligations" on the Summary or otherwise discontinued by us during the term of the Lease).

Care of my Condominium Apartment and Responsibilities Relating to my Condominium Apartment and Community

25. Should I inspect my Condominium Apartment when I move in?

Yes. At the time you first occupy your Condominium Apartment or within five (5) business days after your Move-In Date, you should complete an itemized "Move-In Inspection Report" (on a form provided by us) detailing all damages to your Condominium Apartment existing at the time you move in. Both you and we will initial the completed form and you may keep a copy. Completing this Move-In Inspection Report will protect you and help ensure that you are not charged on move out for any damages to the Condominium Apartment that existed before you moved in. If you do not complete and return the Move-In Inspection Report within five (5) business days after your Move-In Date, we may treat such failure as your

representation to us that there are no damages and defects in your Condominium Apartment and the cost to repair any damages found after you move out will be deducted from your security deposit. If we disagree with any damages or defects you list on your Move-In Inspection Report, we will let you know within five (5) business days after we receive the completed Move-In Inspection Report from you.

26. Will you provide me with light bulbs?

When you move in, we will furnish light bulbs and tubes of prescribed wattage for the light fixtures located in your Condominium Apartment. After that date, you agree, at your expense, to replace light bulbs and tubes in your Condominium Apartment.

27. What are my general responsibilities in caring for my Condominium Apartment and the Community?

You are responsible for using reasonable diligence in caring for the Premises and agree to maintain the Condominium Apartment, together with the furniture, furnishings and other personal property, if any, provided by us, in as good condition as they were at the start of this Lease except for ordinary wear and tear. No holes are to be driven into the cabinets, woodwork, ceilings or floors. Holes are permitted in walls for wall hangings only. No change of locks or additional locks are permitted except by our prior written consent. You may not remove any fixtures, or any of our furniture or furnishings from the Premises for any purpose. You may not tamper with or disable any fans or water saving devices. You acknowledge that on the Move-In Date all smoke detectors and carbon monoxide detectors (if any) were present and were in good working order, and that after that date, you will maintain any smoke and carbon monoxide detectors and replace any batteries when necessary.

28. What are my responsibilities to heat and cool my Condominium Apartment?

During the heating season you are required to keep the Condominium Apartment thermostat at no less than 55 degrees Fahrenheit and during the cooling season you are required to run the air conditioning, if applicable, enough to prevent the accumulation of moisture. You will be liable for damages to your Condominium Apartment and other parts of the Community that result from your failure to comply with these requirements.

29. Can I make any changes or improvements to my Condominium Apartment?

You may only make changes or improvements to your Condominium Apartment with our prior written consent in our sole discretion and at your sole cost and expense. You understand and agree that all fixture improvements automatically become our property and will be surrendered with your Condominium Apartment at the termination of this Lease. Even if we give you permission to make changes to your Condominium Apartment, we may require you to restore the Condominium Apartment to its original condition at your expense at the termination of this Lease.

30. Are there any actions I am required to take to help prevent excessive mold and mildew growth?

Molds are naturally occurring microscopic organisms which reproduce by spores. Mold is found virtually everywhere in our environment, both indoors and outdoors. We have inspected your Condominium Apartment prior to your Move-In Date and actually know of no damp or wet building materials and actually know of no visible mold or mildew contamination. You are notified, however, that mold can grow if your Condominium Apartment is not properly ventilated or maintained. If moisture is allowed to accumulate in your Condominium Apartment, it can cause mildew and mold to grow.

It is important that you regularly allow air to circulate in your Condominium Apartment. You agree to keep the interior of the Condominium Apartment clean and to notify us promptly of any leaks, moisture problems and/or mold growth. You agree to maintain the Premises in a manner that prevents the occurrence of an infestation of mold or mildew in the Premises. You agree to uphold this responsibility by:

- (i) keeping the Condominium Apartment free of dirt and debris, including cleaning all toilets, sinks, countertops, showers, bathtubs and tile or linoleum floors with a household cleanser at least every other week,
- (ii) immediately reporting to us any water intrusion, such as plumbing leaks, drips or "sweating pipes,"
- (iii) immediately notifying us of overflows from bathroom, kitchen or laundry facilities,
- (iv) immediately reporting to us any visible mold growth on surfaces inside your Condominium Apartment,
- (v) using bathroom fans while showering or bathing and reporting to us any non-working fan,
- (vi) using exhaust fans when cooking, dishwashing or cleaning,
- (vii) using reasonable care to close all windows and other openings into the Condominium Apartment to prevent outdoor water from coming into the Condominium Apartment,
- (viii) cleaning and drying any visible moisture on windows, walls and other surfaces, including personal property as soon as reasonably possible (note: mold can grow on damp surfaces within 24 to 48 hours), and
- (ix) immediately notifying us of any problems with the air conditioning, if applicable, or heating

systems that you discover.

You agree that you are responsible for damage to the Premises and your property, as well as injury to you or any Occupants or guests, as well as any other occupants of the Community and their household members, guests, invitees and agents, resulting from your failure to comply with the terms of this Section.

31. What if there is damage to the Condominium Apartment or Community?

If you become aware of damage to the Condominium Apartment by fire, water or other hazard, or you become aware of malfunction of equipment or utilities, you agree to notify us immediately. If we determine, in our sole discretion, that the damages are of such an extent and nature that the Condominium Apartment remains fit for occupancy or can be made fit for occupancy within a reasonable period of time, this Lease will continue and we will repair the damage within a reasonable period of time. Except as otherwise required by law, your Rent will not abate while we are making the repairs. If we determine, in our sole discretion, that the damages are of such an extent and nature that we cannot make the Condominium Apartment fit for occupancy within a reasonable period of time, we will provide you with a written notice of termination and this Lease will end on the date specified in the notice. If the Lease is terminated, you will be liable for Rent only up to the date you vacate the Condominium Apartment (except in those situations where you, your household members, guests, invitees, agents or pets were responsible for the damage or destruction, in which case you may be liable for our damages, including lost Rent).

32. Am I required to purchase renter's insurance?

You acknowledge that we have not purchased insurance coverage for your personal belongings or any personal property located in your Apartment or anywhere at the Community or for any personal liabilities that may be suffered or incurred by you or your family guests, invitees or any other occupants of or visitors to your Apartment. You waive and release us from all claims against us that you may have, nor or in the future, with respect to any loss of or damage to personal property kept in the Community to the fullest extent permitted by law. You are not required to maintain insurance for your personal property, but it is available, and we recommend that you maintain such insurance in an amount equal to the value of your personal property. During the term of this Lease Agreement, you agree to maintain and provide, at your sole cost and expense, the following Minimum Required Insurance coverage:

- \$100,000 Limit of Liability for your legal liability for damage to the landlord's property for no less than the following causes of loss: fire, smoke, explosion, water damage or backup or overflow of sewer, drain or sump.

You are required to provide Manager, on behalf of Owner, with the evidence of Minimum Required Insurance prior to occupancy of your Apartment and at the time of each lease renewal period. If at any time you do not have Minimum Required Insurance (covering all Residents and naming AvalonBay Communities, Inc. as an interested party), you are in breach of the Lease Agreement and we shall have, in addition to any other rights under the Lease Agreement, the right but not the obligation to purchase Minimum Required Insurance coverage and seek reimbursement from you for all costs and expenses associated with such purchase.

You may obtain Minimum Required Insurance or broader coverage from an insurance agent or insurance company of your choice. If you furnish evidence of such insurance (covering all Residents and naming AvalonBay Communities, Inc. as an interested party) and maintain the insurance for the duration of the Lease Agreement, then nothing more is required. If you do not maintain Minimum Required Insurance, the insurance requirement of this Lease Agreement may be satisfied by Manager on behalf of Owner, and we may schedule your Apartment Home for coverage under the Landlord Required Legal Liability insurance policy ("LLL"). The coverage provided under the LLL will provide the Minimum Required Insurance coverage listed above. An amount equal to the total cost of the LLL coverage (premium, taxes and administrative fee) shall be charged to you by us.

Some important points of this LLL coverage, which you should understand are:

1. LLL is designed to fulfill the minimum insurance requirement of the Lease Agreement. Owner is the Insured under the LLL. You are not the Insured under the LLL policy.
2. LLL coverage is not personal liability insurance or renters insurance. We specifically represent and advise you that LLL does NOT cover your personal property (contents), additional living expense or liability arising out of bodily injury to any third party. If you desire or require any of these coverages, then you should contact an insurance agent or insurance company of your choice.
3. Coverage under the LLL policy may be more expensive than the cost of Minimum Required Insurance obtainable by you elsewhere. At any time, you may contact an insurance agent or insurance company of your choice for insurance options to satisfy the Minimum Required Insurance under this Lease Agreement.
4. Licensed insurance agents may receive a commission on the LLL policy.
5. The total cost to you for our obtaining LLL coverage shall be \$10 per month.

33. How does parking work at the Community?

If you are renting a Garage, you must use the Garage for parking a vehicle and not for storage. In addition, we may choose to assign parking spaces or parking areas at the Community. If we assign parking spaces or parking areas, you and your guests may only park a motor vehicle in the space or area we designate. You are responsible for where your guests park. If you or your guests park in a space or parking area other than the one we designate, we can have the vehicle towed and stored at your expense. If you park at the Community, it is at your own risk. We will not be liable for any property damage or personal injury, including, but not limited to, the theft of or any damage to any automobile owned by you or your guests that is parked at the Community, that results from your use of the Garage.

34. Are there any restrictions on my use of a storage area?

If you are renting a storage unit, or we otherwise provide a storage area to you that is separate from your Condominium Apartment, your use of the storage unit or storage area is at your own risk. We are not liable for any loss or damage to anything you put in the storage unit or storage area except as otherwise provided by law. We will not be liable for any injury to you or any other person who is in the storage unit or storage area or who is going to or from the storage unit or storage area except as otherwise provided by law. You may not store any flammable, hazardous or toxic substances or other dangerous materials in the storage unit or storage area. You may not plug in or operate any appliance in the storage unit or storage area. You may not keep animals or pets in the storage unit or storage area. Upon the termination of this Lease, any property not removed from the storage unit or storage area will be considered abandoned and we may remove and dispose of the property in any fashion we see fit, subject to applicable legal requirements.

35. Are there any restrictions on materials that I can bring into the Community?

You may not permit hazardous or toxic materials to enter the Community without first obtaining our written consent and complying with all applicable Federal, state and local laws pertaining to the transportation, storage, use or disposal of hazardous or toxic materials. If your transportation, storage, use or disposal of hazardous or toxic materials at the Community results in (i) contamination of the soil or surface or ground water, or (ii) loss or damage to persons or property, you must (1) notify us immediately of any contamination, claim of contamination, loss or damage, (2) after consultation and approval by us, clean up the contamination in full compliance with all applicable statutes, regulations and standards, and (3) indemnify, defend and hold the Owner/Manager Affiliates harmless from and against any claims, causes of action, costs and fees, including attorneys' fees (to the fullest extent permitted by applicable law), arising from or connected with any such contamination, claim of contamination, loss or damage.

36. How will you deal with pest issues in my apartment home?

It is our goal to maintain the highest quality living environment for our residents. Therefore, you should know that we have inspected your apartment home prior to the Lease Begin Date and know of no insects or other pests living in your apartment. You are hereby notified, however, that pest control is an on-going process in an apartment community. We will have vendors periodically performing pest control services (which may include the use of pesticides) throughout the term of your lease. Please refer to the Pesticide Notice attached to this lease agreement and to any other written disclosure made by us or our vendors and provided to you during the term of your lease. It is important that you keep the interior of the apartment clean and that you promptly notify us of any insects or other pests in your apartment home. You agree to maintain the Premises in a manner that prevents the occurrence of an infestation of pests in the Premises. You agree to uphold this responsibility by (i) keeping the apartment free of dirt and debris, (ii) carefully inspecting all materials brought into the apartment, including luggage, furniture and boxes, for pests and (iii) immediately reporting to us any insects or other pests observed.

You agree to cooperate with pest control efforts, which may include, particularly in the case of bedbugs:

- removing all bedding, drapes, curtains and small rugs for cleaning;
- checking mattresses carefully and encasing them in vinyl covers;
- emptying dressers, nightstands and closets;
- vacuuming floors;
- cleaning all machine washable bedding, clothing, etc.; and
- moving furniture toward the center of the room to provide access for exterminators;

You agree to indemnify and hold the Owner and Manager harmless from your failure to comply with the terms of this section.

Owner's and Manager's Responsibilities Relating to my Condominium Apartment and the Community

37. What are the obligations of the Owner with regard to the Community?

We will maintain all common areas of the Community in a clean and sanitary condition, make all reasonable

repairs and comply with all applicable Federal, state and local laws with respect to such areas.

38. Are the Manager and Owner responsible for my personal security or the security of my property?

Except for our legal obligation not to act negligently in the operation and maintenance of the Community, you agree and acknowledge that we are not responsible for the safety or security of you, your property or your household members, guests, agents and invitees. This means that, in general:

- We are not responsible for property damage or personal injury resulting from the criminal activities of other residents or third parties.
- We do not warrant, imply or guaranty that access controls, alarm systems, devices, or security personnel employed at the Community, if any, will be operable at any given point in time or will discourage or prevent breaches of security, intrusions, thefts or incidents of violent crime.
- We reserve the right to reduce, modify or eliminate any access control, alarm system, device or personnel at any time and you acknowledge that any such action will not be a breach of any obligation or warranty on our part.

You agree to notify us promptly in writing of any problem, malfunction or failure of lights, door locks, window latches, controlled access gates, intrusion alarms, and other access control system. You acknowledge that you have received no representation or warranties, either express or implied, as to any security or access control system at the Community. We have not in any way stated or implied to you that the security of any person or property was or is provided or that the Community and/or surrounding neighborhood has been or will be free of crime. Neither the Manager nor the Owner will be liable to you based on any claim that security or an access control was not provided, except as otherwise provided by applicable law. You hereby release and hold the Manager and the Owner harmless from claims arising out of criminal acts of other residents and third parties.

39. When can the Manager or the Owner enter my Condominium Apartment?

We or our agents may enter your Apartment for any reasonable business purpose at reasonable times, including without limitation to perform repairs, renovations or upgrades. We will provide notice to you before entering your Condominium Apartment except (i) in cases of emergency, surrender or abandonment of the Condominium Apartment (ii) when performing work at an agreed upon approximate date and time in response to a service request made by you that requires entry into your Condominium Apartment, (iii) if you consent to entry at the time of entry, or (iv) when we have good cause to believe the Condominium Apartment may be damaged or you may be in violation of Federal, state or local law or in violation of this Lease. Anytime we are in your Condominium Apartment for any reason, we will leave a notice indicating that we entered your Condominium Apartment and the reason for doing so. In addition, if you are absent from your Condominium Apartment for more than seven (7) days, we may enter your Condominium Apartment at times reasonably necessary to protect our property.

40. How will you treat the personal information I provide to you?

It is our policy to generally maintain any information you provide to us in a confidential manner. However, you are advised, and you acknowledge, that, subject to applicable law, (a) we may share your information with business partners, (b) we may share your information, including payment history, with one or more Consumer Reporting Agencies as defined by the Fair Credit Reporting Act, and (c) our standard practice is to disclose information contained in our lease files regarding you or this Lease in response to a request for information from a governmental or municipal administrative agency or law enforcement agency. In addition, you are advised, and you acknowledge, that, subject to applicable law, we will release information regarding you or this Lease in the following situations:

- (i) where you have agreed in writing to the release of such information, (ii) in connection with the filing of negative credit report information, as permitted by applicable law, as a result of your failure to pay any amount owing hereunder, (iii) where necessary for Owner's or Manager's accountants, attorneys or insurers in connection with their business operations and performance of services, and/or (iv) pursuant to subpoena, court order, applicable law or regulation or governmental request.

You promise that all information you provided to us on your rental application or otherwise was given voluntarily and knowingly by you and is accurate. If we subsequently discover that any information is not accurate, we have the right to terminate this Lease upon at least three days' written notice to you. **You represent and warrant that you are not listed on the list of Specially Designated Nationals and Blocked Persons (SDNs) issued by the Office of Foreign Asset Controls (OFAC). If you are or become listed on OFAC's list of SDNs at any time during the term of your Lease, this Lease will become null and void.** In case of bond-financed or affordable housing communities, you further (a) certify the accuracy of the statements made in the Income Certification, (b) agree that the household income, household composition and other eligibility requirements are deemed substantial and material obligations of your tenancy, (c) agree that you will comply promptly with all requests for information from the Developer, the Trustee, the Authority and any other Regulatory Agency, and (d) agree that your failure or refusal to comply with a request for information will be a violation of a substantial and material obligation of your tenancy. Your failure or refusal to comply with these provisions is a material breach of this Lease and gives us the right to exercise all available remedies against you,

including the right to evict you, subject to applicable law.

41. Are there any other limitations on the liability of Owner and Manager or indemnification obligations by me?

Yes. You agree that the Owner and the Manager, and their affiliates and their respective directors, officers, employees, agents, stockholders, members and partners or their successors or assigns (collectively with the Owner and the Manager, the "Owner/Manager Affiliates") will not be liable to you, your household members, guests, invitees or agents for any damage or loss to property or injury to persons caused by other residents of the Community or by any other persons, except as required by law. To the extent permissible by law, you indemnify and agree to defend and hold the Owner/Manager Affiliates harmless from and against all claims for damages or loss to property or injury to persons arising from your use of your Condominium Apartment or the Community, or from any activity, work or thing done by you, your household members, guests, invitees or agents or by any pet in or about the Condominium Apartment or the Community (including legal fees and court costs we incur). This indemnity by you covers any claims for damages or loss to property or injury to persons arising from or based upon any potentially health-affecting substances or forms of energy brought or allowed to be brought into the Community by you or your household members, guests, invitees or agents, or by any other person living in, occupying or using your Condominium Apartment.

The Owner/Manager Affiliates will not be liable for personal injury or damage or loss of your personal property (furniture, jewelry, clothing, automobiles, food or medication in the refrigerator, etc.) resulting from theft, vandalism, fire, water, rain, snow, ice, earthquakes, storms, sewage, streams, gas, electricity, smoke, explosions, sonic booms, or other causes resulting from any breakage or malfunction of any pipes, plumbing fixtures, air conditioner, if applicable, or appliances, unless it is due to our negligent failure to perform, or negligent performance of, a duty imposed by applicable law. The Owner/Manager Affiliates will not be liable to you due to any interruption or curtailment of heat, hot water, air conditioning, if applicable, or any other service furnished to you, except as provided by applicable law. You may not withhold any Rent, nor will Rent be abated, as a result of such interruption or curtailment. In no event will the Owner/Manager Affiliates be liable, at law or in equity, for indirect, incidental, special, punitive or consequential damages, however arising, whether based on contract, tort, warranty or any other legal theory, even if the Owner/Manager Affiliates have been advised of the possibility of such damages.

Your obligation to indemnify, defend and hold the Owner/Manager Affiliates harmless includes, but is not limited to, liabilities arising from the use of the amenity areas and health facilities, if any, at the Community, by you, your household members, guests, invitees and agents and other persons you allow to use such areas or facilities. Except as required by applicable law, none of the Owner/Manager Affiliates will be liable for any claims, causes of action or damages arising out of personal injury, property damage or loss that may be sustained in connection with the amenity areas and health facilities either by you or by any persons you allow to use such areas or facilities. You and any person you allow to use such areas or facilities assume all risk in using such areas and facilities and confirm that approval from a physician, if warranted, has been obtained.

42. Whose responsibility is it if I ask one of Owner's or Manager's employees for extra help?

We encourage you to hire professionals for your needs beyond those provided by us as your landlord. However, we recognize that there may be occasions when you ask our employees to render services, such as moving automobiles, handling furniture, cleaning, or any other services not expressly contemplated in the Lease. We and our employees are not obligated to render any such personal service. However, if an employee does assist you with any such kind of service the employee will be deemed to be your agent or employee (and not ours) with regard to that service, regardless of whether payment is made for such service, except as otherwise provided by law. To the extent permissible under applicable laws, you indemnify and hold Owner/Manager Affiliates harmless from all losses they may suffer under such circumstances.

Matters Relating to Moving Out

43. How does your 30 day guarantee work?

We are committed to your enjoyment of your new apartment and your new community. If, for any reason, you are unhappy with your apartment home during the first thirty (30) days of residency (from the date you first move into the Community or the Lease-Begin Date, whichever occurs first), and wish to move, please notify us. You must provide thirty-days prior written notice to us of your intent to vacate, and you must vacate your apartment home prior to the end of such thirty-day notice period. You must also pay Rent from the Lease-Begin Date through the end of the thirty-day notice period or until you vacate the apartment, whichever is later (the "Termination Date"). If you received a concession at move in, you must repay a pro-rata share of the concession to us. If you provide written notice and pay Rent as required, your obligations under this Lease will terminate on the Termination Date and we will refund your Security Deposit and, if applicable, Pet Deposit (less any damages or Rent you owe) pursuant to the terms of the Security Deposit Agreement. We will also refund the common area/amenity charge and the one-time non-refundable pet charge that was paid. We will not refund any other charges. This Move-In Guarantee does not apply to any lease renewal or to anyone that has previously rented an apartment in the Community.

44. What if I want to end my Lease early but I make this decision after the first thirty days?

We may offer an option if you want to end your Lease before the current Lease End Date. If you want to end your lease early you may make us an offer to change the Lease End Date to an earlier date. To be effective your offer must provide a 30-day written notice to terminate and must include payment of an "Early Termination Charge". The Early Termination Charge is an amount we set and may change from time to time in our sole discretion. Your termination notice will not be effective unless accepted by us in our discretion and accompanied by the Early Termination Charge. If we accept your offer, we will change your Lease End Date and retain the Early Termination Charge. Your offer will not be accepted if you are in default. During the notice period you must comply with all other terms of the Lease, including timely payment of Rent and Other Charges prior to the new Lease End Date and you must vacate the Apartment on or before the new Lease End Date. You will remain liable for all Rent, Other Charges and other sums that arise before the new Lease End Date or that arise on account of your residency with us or your failure to pay us any amounts owed.

If you vacate your Apartment prior to the current Lease End Date or we terminate your Lease as a result of a default by you, but you and we have not chosen to take the option to change your Lease End Date, or if you fail to pay the "Early Termination Charge", you will remain liable for Rent and Other Charges through the original Lease End Date or until the date a new resident occupies and begins paying rent for your Apartment. By entering into this Lease you have committed to pay Rent and Other Charges through the Lease End Date. You may also be liable for any rent damages we may incur, which may include the difference between your Rent and the market rent for a new lease for your apartment, if lower. In addition, if you received a concession, a pro-rated portion of this will be billed back to you. We will use reasonable efforts to rent your Apartment in order to minimize the damages caused to us by your default, but we will be under no obligation to encourage prospective residents to rent your Apartment in preference to other vacant apartments.

45. Will I have to pay back any concessions I received?

Yes. Lease concessions, if any, that you received on entering into this Lease are contingent upon your fulfilling all of the terms of this Lease through the original Lease End Date. If this Lease is terminated for any reason prior to the original Lease End Date, including, but not limited to, your default or early termination of this Lease, then you will be obligated to pay back to us a pro rata portion of any Lease concession received by you.

46. Are there any special rules for members of the military?

Yes. In the event you are or become a member of the Armed Forces on extended active duty, a member of the state National Guard serving on full-time duty, or a civil service technician with a National Guard Unit, and you: (i) receive permanent change-of-duty orders; (ii) receive temporary duty orders in excess of 3 months' duration; or (iii) are ordered to report to government-supplied quarters which results in the loss of your basic allowance for living quarters, you and your dependants may terminate this Lease by giving prior written notice to us, provided you are not otherwise in default. The termination will be effective on the last day of the month following the notice. As a condition to such termination, you will furnish us with a certified copy of the official orders which warrant termination of this Lease. Military orders merely authorizing base housing in the local area in which the Community is located do not constitute change-of-duty hereunder. Your Security Deposit will be refunded provided that the conditions of the Security Deposit Agreement are fulfilled.

Additionally, National Guard officers and enlisted members called or ordered into active state or federal service, or United States Military Reserve reservists who are called to full-time active duty, may terminate this Lease under California law if they are called into duty after entering into this Lease. If termination occurs under California law, the termination will be effective on (1) the last day of the month following the notice, or (2) no more than 45 days after the notice is provided to us, whichever is first. If rent is payable other than monthly, the termination will be effective on the last day of the month following the month in which the notice is given.

47. What if I don't move out by the Lease End Date?

As noted in the answer to Question 6 above, we may allow you to remain as a Month-to-Month resident. However, if we do not choose, in our sole discretion, to let you remain, you will be liable for our direct and consequential damages, costs and reasonable attorneys' fees as permitted by applicable law in connection with your holding over and with our actions in obtaining possession of the Condominium Apartment as a result of your holding over.

48. When should I turn in my keys?

When you vacate your Condominium Apartment (after having given us the notice required in accordance with the terms of this Lease) you must deliver your keys to us. Do not leave the keys in your Condominium Apartment. If you do not deliver the keys to us at the end of your lease term (or notify us in writing that you are unable to do so because your keys are lost) then, at our option, the Lease will continue in full force and effect until such time as you deliver the keys to us (or notify us in writing). In such event you will continue

to be liable to us for the payment of Rent and all other obligations under this Lease, subject to applicable law. Delivery of your keys to us before the end of your lease term will not terminate this Lease.

49. Do I have to clean the Condominium Apartment when I leave?

When you leave the Condominium Apartment, it must be clean and in the same condition it was in when you received it, except for ordinary wear and tear and for damage caused by fire or other casualty that was not your fault or the fault of your household members, guests, invitees, agents or pets. If not, you will be required to pay the cost of (1) labor for cleaning the stove, refrigerator, kitchen, bathroom and other parts of the Condominium Apartment (including carpet cleaning), (2) removing trash or other property left or abandoned in or around the Condominium Apartment, (3) painting the Condominium Apartment to cover dirt or stains beyond ordinary wear and tear or paint installed by you, (4) removing wallpaper you installed, (5) repairing or replacing any portion of the Condominium Apartment or our property that was damaged, removed or altered in any manner, (6) repairing, replacing or restoring personal property, and (7) any other work that is required to return the Condominium Apartment to the condition it was in when you received it, subject to ordinary wear and tear. We may deduct these amounts from your Security Deposit, subject to applicable law.

50. What is "ordinary wear and tear"?

While it would be impossible to provide every example of ordinary wear and tear, the basic idea is that ordinary wear and tear is the level of wear on the Condominium Apartment that could be caused by a reasonably careful occupant of the Condominium Apartment over the course of a lease term if (i) no accidents occurred (e.g., spills on carpets) and (ii) the Condominium Apartment, including its appliances and fixtures, were thoroughly cleaned at the end of the lease term. Ordinary wear and tear, for which you will not be charged, includes, but is not limited to, such items as wear on the carpet in high traffic areas, curtains or paint faded by the sun, and moderately dirty mini blinds or light switches as a result of normal use. Damages for which you will be responsible, on the other hand, include such things as stains and rips in the carpet, rips in curtains, marks on walls, missing or broken mini blinds and light switches, and baked on debris on kitchen appliances. **You should know that our experience shows that many residents leave the Condominium Apartment with some damages beyond ordinary wear and tear due to accidents; heavy usage that resulted in more staining, soiling or marks than would be expected under ordinary circumstances; or a decision not to thoroughly clean the Condominium Apartment at the end of the Lease, and therefore have deductions made to their Security Deposits.** You may want to consult with the leasing office at the Community regarding move out procedures and advice with respect to inspections and deductions.

51. What if I leave my personal property in the Condominium Apartment when I move out?

If you leave items of personal property in or around your Condominium Apartment after the term of this Lease has ended and delivery of possession has occurred, or if your Condominium Apartment appears to be abandoned, your property will be considered abandoned and we may sell or dispose of it in accordance with applicable legal requirements.

Miscellaneous

52. How will you provide notice to me when it is required?

We can give you written notice by (a) personal service to you, or (b) posting the notice on your Condominium Apartment door and mailing a second copy or (c) delivery to someone of suitable age and discretion and mailing a second copy, or (d) where permitted by law, by sending you an email. Notices for rent increases and entry may be serviced personally or sent by first class mail. You will be deemed to have received the notice given in any of these ways, whether or not you actually receive the notice. Please note that our primary means of communication with our residents, except where otherwise required by law, is email. Therefore, it is very important that we have a current and correct email address for each Resident. If you do not have an email, please let us know and check in with the office to see whether any email communications have gone out that you should be aware of. By signing this Lease, you expressly permit us, our agents and assignees, including but not limited to debt collection agencies retained by us for collection work, to use an automated dialing device to place calls to cellular devices owned or to be owned by you.

53. How should I provide formal legal notice to you?

Any notice from you to us must be in writing and may be given by (i) mailing it to us at the Community address, or (ii) delivering the notice to the Community Manager or Customer Service Manager at the Community's leasing office during normal business hours. You agree that we may (but are not obligated to) treat notices and requests from any Resident as notice from all Residents and Occupants.

54. Are there any third party rights that could affect the Community or my Condominium Apartment?

- a. Condemnation: If the whole or any part of your Condominium Apartment is taken by condemnation or under the power of eminent domain, this Lease will automatically terminate on

the date you are required to surrender possession to the condemning authority and you will not be entitled to any portion of the proceeds of any condemnation award or payment.

- b. **Sale of the Community or Your Condominium Apartment:** The sale of the Community or your Condominium Apartment, including a sale by foreclosure, will not affect this Lease or any of your obligations under the Lease. You agree that upon the sale of the Community or your Condominium Apartment, you will look solely to the new owner for the performance of the landlord's duties under this Lease and will be deemed to have released the Owner/Manager Affiliates from all liabilities arising after the date of such sale. Upon notice of our transfer of your Security Deposit and/or Pet Deposit to the new owner, you will look solely to the new owner for the return of the unapplied portion of your Security Deposit or Pet Deposit.
- c. **Subordination:** This Lease, and your rights hereunder, are subordinate to all land leases, present and future mortgages or deeds of trust, if any, affecting the Premises. We may execute any papers on your behalf as your attorney-in-fact to accomplish this if permitted under applicable law. In the event of any judicial or non-judicial foreclosure of the Premises, at the election of the acquiring foreclosure purchaser, the Lease shall not be terminated and you shall attorn to the purchaser, provided that the purchaser in that election agrees not to disturb you if you are complying with this Lease.

55. What other general provisions apply to this Lease?

This Lease (consisting of all of the documents identified in the Introduction) is the complete agreement between you and us. You may not rely on any oral promises of the Owner, Manager or any other party that are not set forth in this Lease. This Lease can only be changed by an agreement in writing, signed by you and us. This Lease will be binding upon the successors and assigns of each Resident. Time is of the essence in your obligations under this Lease. If permitted by law, you waive the right to a jury trial in all legal proceedings relating to your use and occupancy of your Condominium Apartment, and you waive the right to countersue in any summary proceeding we bring. Should a court of competent jurisdiction find any of this Lease's provisions to be illegal, invalid or unenforceable, such illegality, invalidity or unenforceability shall not affect any of this Lease's other provisions. In addition, such illegal, invalid or unenforceable provision shall be modified to the minimum extent necessary to make such provision legal, valid and enforceable.

Registered Sex Offenders Notice: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides.

56. Do the provisions of this Lease survive the Lease End Date and/or the termination of this Lease?

Your payment obligations under this Lease, as well as your obligation to indemnify and hold the Owner/Manager Affiliates harmless, and our rights upon any default by you, will survive the termination or expiration of this Lease.

57. If I have a disability, may I request a modification to my apartment or the common areas, or an accommodation to your policies, practices or services?

Yes. The Owner and Manager want you to enjoy the use of your home, and are committed to compliance with the provisions of the Fair Housing Act, including those provisions relating to reasonable modifications and accommodations. Our policy, including details about how to request such modifications or accommodations, is described on a separate addendum to this Lease.

58. Does the Owner have the right to make any changes to my apartment?

You acknowledge that during the Lease Term we may perform "Owner Alterations" to the Premises and the Apartment Community. Owner Alterations include, for example, maintenance, alterations, repairs, asset preservation and improvements. You also acknowledge that you will not be entitled to any withholding or abatement of Rent nor will you be deemed constructively or actually evicted from the Premises based on our performing any Owner Alterations to the Premises or the Apartment Community, unless the Premises are untenable due to Owner Alterations. You waive any claim or cause of action against us for actual or constructive eviction or for any damages based on Owner Alterations, except to the extent the Premises are rendered untenable due to Owner Alterations.

IMPORTANT NOTICE: Section 6 of this Lease requires you to provide advance written notice to us if you choose not to renew your Lease.

- (5) You violate your responsibilities as a resident under Federal, state or local law, or
- (6) You permit unauthorized persons or unauthorized pets to reside at the apartment and such violation is not cured by you within 3 days after written notice from us, or
- (7) You harass, verbally abuse, denigrate or otherwise disrespect our employees, agents or contractors

Notwithstanding the above, under no circumstances are you entitled to any cure period for a default in your monetary obligations under this Lease, a violation of law, or criminal activities as defined in this Lease.

Electricity Billing Methodology:

Under the answer to Question 23 of Document 2 of the Lease (Questions and Answers-Additional Lease Terms), electric service will be billed based on Direct Utility Billing and will be billed directly to you by the utility provider. As described in the answer to Question 24, you should contact the utility provider directly to initiate service in your name.

Water/Sewer/Hot Water Energy Billing Methodology

Under the answer to Question 23 of Document 2 of the Lease (Questions and Answers – Additional Lease Terms), your water, sewer, and hot water energy bills will be based on Allocated Billing. Under the Utility Billing Methodology that will be used, water, sewer, and hot water energy charges are calculated each month by taking the applicable water, sewer, and hot water energy bills for the community, and then applying an allocation formula based on a factor that is determined based on the occupancy (the number of people as set forth in the Lease for your Apartment) of your apartment as compared to the total factored occupancy for the Community. You are not paying for any water, sewer, and hot water energy usage for the common areas of the Community. The Owner will be responsible for the common area water, sewer, and hot water energy of the Community and for the water, sewer, and hot water energy usage for the unoccupied apartment homes. Owner cannot guarantee the level of charges for water, sewer, and hot water energy for any particular apartment home, which will vary according to the rates charged by the local provider of water, sewer, and hot water energy services. You should be aware that under this billing methodology, you are responsible for this proportionate share of the Community's water, sewer, and hot water energy costs regardless of your actual usage, even if you do not use your Apartment for one or more days during any month.

You may be billed a portion of water and sewer expense from the property tax bill.

You will receive water, sewer, and hot water energy bills monthly from a billing company that we have selected (but may elect to change from time to time). Such bills may include an administrative fee.

Trash Removal:

Your trash fee will be based on the invoice(s) the community receives for trash service. You agree to pay the trash fee in the amount specified in the Summary (Document 1). If there is no amount listed in the Summary (Document 1), you will receive trash bills from our billing vendor that we have selected (but may elect to change from time to

time). Your trash fee is due and payable with your rent. Such bills may include an administrative fee.

EV Electric Reimbursement:

If your Community provides designated spots for electrical vehicle parking and charging and you choose to rent one of such available spots to charge an electric vehicle, you understand and agree that you will be responsible for a monthly amount related to our costs in providing electricity to the spot or you will be responsible to pay a third party operator for the use of the charging station.

The use by you or any of your guests of a community EV outlet and/or charging station to charge a vehicle is undertaken at your own risk. If you are using your own EV charger, you agree that you will not use a charger that is incompatible with the EV outlet provided. You acknowledge and agree that AvalonBay shall not be responsible for any harm to you or your vehicle as a result of the use of the community EV outlets and/or charging stations.

To the extent applicable, the charge will either be identified in the Summary of Key Lease Terms under "EV Electric Reimbursement" or be paid directly by you to a third party, and is either a flat amount that we determine in our discretion from time to time based primarily on the average monthly cost of charging an electric vehicle or an amount that will be specified in your agreement with the third party. If the amount is a flat fee it will not change during your lease term.

Acknowledgement of Retail:

You understand and acknowledge that the first floor of the Community contains retail use, which may include a restaurant and/or lounge. As a result there may be noise and odors associated with the restaurant and/or lounge uses from time to time, including evening hours.

Rent Credit Reporting Service:

In accordance with California law, you are being provided with the opportunity to enroll in a credit reporting service that will report your rent payments to one or more consumer reporting agencies. Enrollment in this service is completely optional and you may elect to enroll at any point during your lease term. Enrollment in this service will result in a monthly charge to you of up to \$10.00 per person or our actual costs for providing the service, whichever is less.

An enrollment form with details, including details on pricing, is being provided to you along with this Lease Agreement. If you would like to enroll at a later date and/or would like another copy of the enrollment form at any time, please let us know.

AvalonBay Policy Regarding Requests for Reasonable Modifications and Accommodations

Modifications: Federal housing law permits a resident with a disability to make reasonable modifications at his/her expense to either or both of the interior of the apartment and the common/public areas of the building “if such modifications may be necessary to afford such person full enjoyment of the premises.” If a modification is made, the resident may be held responsible for restoring the interior of the apartment to its original condition, where such requirement is reasonable. For the apartment, examples of reasonable modifications include widening a doorway, lowering kitchen cabinets or replacing flooring to facilitate wheelchair use.

An escrow (not a security deposit) may be collected to ensure that funds are available for any required restorations. In considering whether to require an interest-bearing escrow account in the estimated amount of the costs of restoration, the following factors will be considered:

- The nature and extent of the modification;
- The length of residency; and
- The credit/employment history of the resident.

Accommodations: Residents with disabilities may request “reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling.” For example, a resident with a disability may request a reserved parking space near a building’s entrance even at a community that does not assign parking. An accommodation is considered reasonable if it does not fundamentally alter the owner’s business or create undue financial hardship. A reasonable accommodation:

- Must be practical and feasible;
- Cannot be dangerous to others; and
- Cannot be overly expensive to the apartment owner.

Processing Requests: To help assure prompt review and attention, we prefer that requests for modification or accommodation be made on our standard Modification and Accommodation Request form, but we will accept other written and verbal requests as well. So that we can make a decision about your request, please tell us how your requested modification or accommodation will help you more fully enjoy your home. All requests will be forwarded to our Legal and Design groups for internal review and will be processed promptly.

- b. Expiration of the term of the Lease, or termination of the Lease in accordance with its provisions.

Your apartment, including all kitchen appliances (refrigerator, oven, range, dishwasher, baths, closets, storage areas, patios/balconies, etc.) has been thoroughly cleaned, so as to be in the same condition as it was in on the beginning date of the term of the Lease, except for ordinary wear and tear.
- e. There are no defects or damage to Premises caused by you, your family, guests, invitees, agents or pets, unless shown on a written list of damages and defects as set out in the Move-In Inspection Report, as referenced in the Lease.

- h. YOU HAVE GIVEN MANAGER THIRTY (30) DAYS WRITTEN NOTICE OF YOUR INTENT NOT TO RENEW THIS LEASE, AS REQUIRED PURSUANT TO THE LEASE.
- i. You provide us with a written notice of your forwarding address.

3. **DEDUCTIONS.** Within twenty-one (21) days after you have vacated the Premises, we agree to refund the Security Deposit to you, after deducting all damages or charges for which you are legally liable under the Lease, this Agreement, or as a result of breaching the Lease or the Security Deposit Agreement. At such time, we will provide you with a written statement reflecting the Security Deposit, any accrued interest thereon, if applicable, and, for the deductions made, together with a basis for all deductions we made. In addition, we will notify you in writing of any deductions that are made from the Security Deposit during the course of the tenancy. Such notification will be made within twenty-one (21) days of the date of the determination of the deduction and will itemize the reasons for the deductions, except that this notification will not be required for deductions made less than twenty-one (21) days prior to the termination of the Lease. We will maintain itemized records of all deductions made from the Security Deposit during the preceding two years, and these records will be available for inspection by you or your agent or attorney during our normal business hours.

4. **WITHHOLDING OF RENT.** You acknowledge that no portion of the Security Deposit is available to be applied to Rent or Other Charges due and payable under the Lease, and that you are required to pay the entire monthly Rent on or before the due date each month during the term of the Lease, including the last month of occupancy.

5. **MOVE-OUT PROCEDURES.** Upon a request by us to you that you vacate, or within five (5) days after receipt of notice by us of your intent to vacate, we will make reasonable efforts to advise you of your right to be present at an inspection of the Premises for the purpose of determining the amount of the Security Deposit to be returned. If you want to be present when we make the inspection, you must let us know in writing so that we may, in turn, notify you of the time and date of the inspection. If requested, an initial inspection will be made prior to termination of occupancy. A final inspection will be made within seventy-two (72) hours after termination of occupancy and removal of all your personal effects. If you request an initial inspection, we will upon completion of the inspection give you an itemized list of damages to the Premises known to exist at the time of the inspection. We suggest that you do accompany us during both the initial inspection and the final inspection to help resolve any problems that may arise. Failure to do so will constitute a concurrence by you in our assessment of charges for damages or cleaning. After final inspection by us, appropriate charges will be assessed by us for any missing items, damages or repairs to the Premises, or its contents (except for ordinary wear and tear), insufficient light bulbs, scratches, burns, or holes in the walls, doors, floors, draperies, carpets and/or furniture, and for cleaning the Premises (including all kitchen appliances).

6. **INTEREST ON DEPOSIT.** We will accrue interest on the Security Deposit if required by law at the rate set in applicable statutes, which interest will be credited and paid as required by law.

You understand that unless there is a Smoke Free Apartment Community Addendum attached to this lease, your Community is NOT a smoke free community and we cannot prevent your neighbors from smoking cigarettes in their apartment homes. As a result, we cannot and do not guarantee a smoke free environment.

Notwithstanding any laws that may legalize the smoking, cultivation or storage of marijuana in this jurisdiction, neither you nor your guests are permitted to smoke, cultivate or store any marijuana at the community or in your apartment home.

21. COOKING. You must cook in a manner that will not offend or annoy other residents, and use the oven fans during cooking.
22. DOORS. Please shut and keep closed all doors leading from and into building at all times. We may close all such doors in the event they are left open.
23. LOCKOUT. If you request us to unlock the door of your apartment or garage during business hours, we will gladly do so at no charge. If you are locked out of your apartment home or garage after office hours, a Maintenance Associate will let you in. You will be billed a \$75 charge only if you have had a previous after hours lock-out.
24. MOVING. Moving of furniture is permitted to and from the apartments only between the hours of 8:00 A.M. and 6:00 P.M. Moving during such hours is permitted 7 days per week. 32. LIGHTBULBS. Electric light bulbs are supplied to each apartment home at the time of move-in. Thereafter, it becomes your responsibility to replace all bulbs.
33. SMOKE DETECTORS AND CARBON MONOXIDE DETECTORS. You will maintain the smoke detectors and carbon monoxide detectors and replace the batteries when necessary.
34. GUESTS. You agree to inform your guests of all Lease provisions and Community Policies regarding use of the Premises. We have the right to bar individuals from the Premises. If your Lease provisions or the Community Policies are violated by your guests, they may be barred and, in the event they receive from us a notice that they have been barred from the premises, arrested for trespassing. If you allow any barred person on the premises, it is grounds for termination of your Lease.
35. GARAGES. If applicable, the primary purpose for any garage is for the storage of vehicles. Once your vehicle has been accommodated in the garage, you may, if approved by management, use the remaining space to store non-flammable items. In no event should your garage space be used only for storage and no storage is permitted in underground or above ground parking structures shared by multiple apartments. AvalonBay Communities in no way represents that the garages, whether direct-access or detached, can accommodate every make and model of every vehicle. It is the resident

These are the only keys/devices that will be provided during the term of the lease agreement. No additional items will be provided unless this practice is within community-specific standard procedures and management is in agreement. Charges for additional items may apply where applicable.

You acknowledge and understand that you are responsible to return the items to management upon move-out and you will not make duplicate keys without first consulting management. Third party fobs are strictly prohibited. Use of a 3rd party fob is grounds for termination of your lease. In the event that you do not return or you misplace any of the keys, controlled access devices/passes, remotes, or parking tags, the following charges will apply per item.

38. FIRE ALARMS. Tampering with fire alarms is illegal, dangerous, and can cause serious liability concerns. You may be charged if your actions result in a false alarm.
39. FILMING AT A COMMUNITY. Filming/photo shoots are not allowed at any AvalonBay community without prior consent from the Manager and Marketing, Legal, and Risk Management Departments. All residents/companies requesting to film at a community must sign the Filming Agreement and meet all requirements below before any filming may begin.
40. FIREWORKS. The use of any fireworks, including but not limited to "non-explosive and non-aerial" fireworks shall be prohibited at all times within the community.
41. STREAMING. Any streamed or over the air content in common areas or on community devices or systems must be appropriate for the environment and in compliance with all applicable laws, regulations and terms of purchase.
42. EXTERIOR COMMON AREAS. No personal property of any kind shall be kept, stored or maintained in the common areas nor shall any fixtures of any kind, including additional doorbells, cameras, or other items, be maintained in the common areas (including the exterior of doors) at any time. The sidewalks, entrances, driveways, stairways, elevators, halls and other common access areas shall not be blocked by a Resident or used for any purpose other than for entering and leaving without the prior written consent of the Manager.

SATELLITE DISHES

You have a limited right to install a satellite dish or receiving antenna within your leased space. We are allowed to impose reasonable restrictions relating to such installation. You are required to comply with these restrictions as a condition of installing such equipment. This provision contains the restrictions that you and we agree to follow.

1. NUMBER AND SIZE. You may install only one satellite dish or receiving antenna within your leased space. A satellite dish may not exceed 3.3 feet in diameter. An antenna may receive but not transmit signals.
2. LOCATION. Location of the satellite dish or antenna is limited to your leased space, namely: (1) inside your dwelling, or (2) in an area outside your dwelling but within your sole control such as your balcony, patio, yard, etc. Installation is not permitted on any parking area, roof, exterior wall, window, windowsill, fence or common area, or in any area that other residents are allowed to use. A satellite dish or antenna may not extend beyond the vertical and horizontal space that is leased to you for your exclusive use (e.g., the satellite dish or receiving antenna may not extend beyond the balcony railing). Think of it this way: if the building were to be wrapped in "plastic wrap", and you were to affix a satellite dish to your balcony railing or otherwise place it on your balcony, no portion of the satellite dish or receiving antenna may come in contact with the plastic wrap.
3. SAFETY AND NON-INTERFERENCE. Your installation: (1) must comply with reasonable safety standards; (2) may not interfere with our cable, telephone or electrical systems or those of neighboring properties; (3) may not be connected to our telecommunication systems; and (4) may not be connected to our electrical system except by plugging into a 110-volt duplex receptacle. If the satellite dish or antenna is placed in a permitted outside area, it must be safely secured by one of three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete in a container; (2) clamping it to a part of the building's exterior that lies within your leased premises (such as a balcony or patio railing); or (3) any other method approved by us. No other methods are allowed. Your satellite dish or antenna system must be a stand-alone system; you may not splice into any existing wires or cables. We may require reasonable screening of the satellite dish or antenna by plants, etc., so long as it does not impair reception.
4. SIGNAL TRANSMISSION FROM EXTERIOR DISH OR ANTENNA TO INTERIOR OF DWELLING. You may not damage or alter the leased premises and may not drill holes through outside walls, doorjambs, windowsills, etc. If your satellite dish or antenna is located outside your dwelling (on a balcony, patio, etc.), the signals received by it may be transmitted to the interior of your dwelling only by the following methods: (1) running a "flat" cable under a doorjamb in a manner that does not physically alter the Premises and does not interfere with proper operation of the door; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); (3) connecting cables "through a window pane" similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window-without drilling a hole through the window; (4) wireless transmission of the signal from the satellite dish or antenna to a device inside the dwelling; or (5) any other method approved by us.

5. **WORKMANSHIP.** You are responsible for ensuring that the installation of any satellite dish or antenna is performed in a safe and secure manner within your leased space. We reserve the right, but have no obligation, to inspect the installation of any satellite dish or antenna within your leased space. We reserve the right, but have no obligation, to require that the satellite dish or receiving antenna be re-located, re-installed, or removed if in our reasonable judgment, such equipment poses a safety hazard or may cause damage beyond reasonable wear and tear to the Premises.
6. **MAINTENANCE.** You will have the sole responsibility for maintaining your satellite dish, receiving antenna and all related equipment.
7. **REMOVAL AND DAMAGES.** You must remove the satellite dish or receiving antenna and other related equipment when you move out of the apartment. You must pay for any damages and for the cost of repairs or repainting which may be reasonably necessary to restore the Premises to its condition prior to the installation of your satellite dish, antenna or related equipment.
8. **LIABILITY INSURANCE AND INDEMNITY.** **You are liable for any injury or damage to persons or property caused by your dish, and you must maintain liability insurance covering any such damage.** You install and operate your dish at your own risk. You will be liable for any injury or damage to persons or property caused by your dish. To ensure that you are able to pay damages in the event that your dish causes injury or damage, unless your apartment is on the ground floor, you must purchase and maintain liability insurance in an amount of not less than \$100,000 for your dish for as long as you have it at the community. You must provide us with proof that you have this insurance, and AvalonBay must be named as "additional insured" under your liability policy. We must be notified by your insurance carrier at least thirty days in advance of any cancellation of your liability policy. Further, you agree to hold us harmless and indemnify us against any claims related to your dish by others.

You may start installation of your satellite dish or antenna only after you have provided us with written evidence of the liability insurance referred to above. Your limited right to install a satellite dish, as well as our right to impose reasonable restrictions, both arise as a result of a Federal Communications Commission (FCC) order. If you have any questions about this order, feel free to contact us or you may contact the FCC directly.

WIRELESS INTERNET ACCESS (WiFi)

1. **GRANT OF AUTHORITY.** You are permitted to deploy a "Wireless Access Point" or "WiFi" within your premises, so long as such installation meets all the terms of clauses 2, 3, 4, 5, 6 and 7 of the "Satellite Dishes" section above. A wireless access point or WiFi is a short-range transmitting and receiving device necessary to provide wireless internet service to users located within your premises.
2. **BAN ON OBJECTIONABLE INTERFERENCE.** You are permitted to use such a wireless access ("WiFi") device in your apartment so long as such device does not result in *objectionable interference*. Objectionable interference shall have the same meaning as that established by the Federal Communications Commission regulations or mean any interference that results in a material impairment of the quality of communication transmitted or received by existing communications users in the community prior to the operation of your "WiFi."
3. **OBLIGATION TO LIMIT EMISSIONS.** Your Wireless Access Point shall be designed, installed and operated in a manner that minimizes the degree to which radio signals or other electromagnetic emissions emanating from the Wireless Access Point extend outside your premises.
4. **NON-COMMERCIAL USE.** At no time may you resell or package Internet access by means of your Wireless Access Point or WiFi. The grant of authority in these Community Policies is limited to installing such a device for your personal use only.
5. **COMMUNITY PROVIDED WIRELESS ACCESS POINT.** If the Community provides a Wireless Access Point for the use of its residents such service is provided only as a convenience to you. By using any such Wireless Access Point you agree that such Wireless Access Point and access to the Internet are at your sole risk, and are provided on an "As Is" and "As Available" basis without warranties of any kind, express or implied. You also acknowledge that such access is not encrypted or filtered in any way and that the Community does not provide a firewall or other type of Internet protection. You agree that the Community and its affiliates shall not be liable, and you hereby waive any claims against the Community and its affiliates for any damages arising out of your use of such Wireless Access Point, including without limitation personal injury or property damages, loss due to unauthorized access or due to viruses or other harmful components, the inability to use the internet service, the content of any data transmission, communication or message transmitted to or received by your computer, and the interception or loss of any data or transmission.
6. **INDEMNIFICATION.** You shall defend, indemnify, and hold the Owner, its agents, officers and employees completely harmless from and against any and all claims, suits, demands, actions, liabilities, losses, damages, judgments, or fines, including all reasonable costs for investigation and defense thereof (including, but not limited to, attorneys fees, court costs and expert fees), of any nature whatsoever arising out of your operation of or access to any Wireless Access Point or the provision of Wireless Internet Service by means of any Wireless Access Point.

SWIMMING POOL POLICIES

Some Community swimming pools are NOT supervised by a lifeguard or other responsible persons.

1. NEVER SWIM ALONE!
2. AGE REQUIREMENT. There is no substitute for adequate supervision. Persons under the age of 14 are not allowed at the pool unless accompanied by a parent or guardian or a responsible adult.
3. GUESTS. No more than 2 guests per apartment may be invited to the pool. Guests must be accompanied by a resident over 18 years of age. Residents are responsible for their guests and their actions.

11. DIAPERS. No diapers allowed in the pool. Swim diapers must be used as appropriate
12. CONDUCT. The ropes and life rings are not play toys. They are there for a purpose. Do not hang or sit on the ropes. 13. MUSIC. Loud music is NOT allowed at the pool.
14. HOURS. The pool may only be used during posted hours of operation. Refer to your move-in package or to pool signs for pool hours. Pool hours are subject to change at management's discretion. Be aware that due to repairs or other circumstances the pool may be closed from time to time.

18. OTHER RULES. All other posted rules and policies must be followed.

**Guidelines & Policies for Pet Parents (Owners)**

1. Pets, including dogs and cats are permitted at the Community only with our permission. Visiting pets are not allowed. Certain types of pets are not allowed. These include, but are not limited to monkeys, ferrets, snakes, rabbits, livestock, reptiles, rodents and certain dogs. The restricted dog breeds include, but are not limited to, some Terriers including Pit Bulls (a.k.a. American Staffordshire Terriers or Staffordshire Bull Terriers), American Bull Dog, Tosa Inus, German Shepherds, Rottweiler, Presa Canarios, Fila Brasileiros, Argentine Dogos, Akitas, Doberman Pinschers, Alaskan Malamutes, Bull Mastiffs, Cane Corso, Wolf Hybrids and all mixes of these breeds. AvalonBay Communities reserves the right to deny residency to any animal deemed aggressive whose breed is not explicitly

listed.

Once such permission is granted, it will not be revoked as long as the resident pet parent (owner) abides by these guidelines policies, controls the pet and shows due consideration of other residents of the Community.

As set forth in the Lease, when a pet is acquired, a non-refundable pet charge or increased deposit and a monthly charge are required to be paid by you the resident. If there is more than one pet, the monthly charge will be assessed for each pet.

2. Pets with a history of biting are not permitted at the Community. You agree and assume full responsibility for personal injuries or property damage caused by the pet, and hereby agree to indemnify the Community and hold the Community harmless against any loss, or liability of any kind or character whatsoever resulting from the privilege of having a pet on the premises. You are responsible for the action of your pet at all times. Should your pet injure any other pets, residents or AvalonBay Communities associates, or other individual not listed here while on community premises, you will be asked to remove the pet from the premises immediately.
3. **Number of Pets:** No more than 2 pets are allowed per apartment home.
4. **Maintenance:** Pets must be restrained whenever a maintenance service call is requested.
5. **Pet Waste:** In order to keep the grounds clean and sanitary, pet stations must be utilized or the pet must be taken to the outside perimeter of the Community for their toilet purposes. You must clean up after your pet. It will be a violation of these rules if you simply "relieve" your pet solid waste and not clean up. This is not at your convenience, this must happen every time the pet uses our community grounds for "toilet" purposes. You will be asked to sign a Clean Paws Pledge committing to cleaning up after your pet.
6. **Leash:** Pets must be on a leash at all times when outside the apartment home. If applicable, dogs must be leashed whenever entering and exiting the Pet Park, but may be unleashed while within the enclosure of the Pet Park.
7. **Tying Up/Balconies:** Pets are not to be tied or staked outside the apartment. Residents must not leave their pet on the patio or balcony for extended lengths of time.
8. **Patios & Pet Food:** Patios should be kept clean of any pet waste. During hot weather, especially, odors can be extremely offensive to neighbors. Also, please avoid leaving pet food outside for long periods of time, as it will attract pests/rodents. You may leave water outside for your pet.
9. **Human Amenity Areas:** Pets are not allowed in the pool or amenity areas at any time.
10. Residents violating these guidelines and policies must reimburse AvalonBay Communities for any damage or loss incurred for each violation determined at the discretion of the Community Manager.

FIREPLACE/FIRE PIT POLICIES

If this amenity is applicable at the community, the following rules are to be observed:

1. The amenity areas are for residents and their guests only. Your guests must be accompanied by you.
2. Do not throw any items into the fire or surrounding area.
3. The fireplace or fire pit is not to be used as a means of cooking or roasting food, including but not limited to marshmallows.
4. Residents and/or guests are to use appropriate seating and not to sit on the ledge of the fire pit or fireplace.
5. The fire/flame should not be left unattended. Use the appropriate posted method to extinguish the fire/flame.
6. In the event of an emergency, press the nearby red emergency button (if applicable) and call 911.

These Community Policies are to be strictly observed and will be enforced by us. We may, however, insist that you observe all of these Community Policies even if you did something in violation of these policies and we did not object. Thus our failure or delay, if any, in demanding compliance by you of these Community Policies will not be deemed a waiver of our right to insist on full compliance by you in the future. We reserve the right to modify these Community Policies and to make such other reasonable rules as, in our judgment, from time to time become necessary to ensure the enjoyment of the Community by our residents.

Thanks for your cooperation in observing these Community Policies.

SMOKE FREE APARTMENT COMMUNITY ADDENDUM

You acknowledge that the building in which your apartment home is located and community have either been designated smoke free or are in the process of becoming smoke free. This addendum states additional terms, conditions, and rules which are incorporated into the Lease and relate to the smoke free nature of the apartments and the community. Although we would like to strictly enforce this policy with all residents, there may be residents who signed a lease that did not restrict smoking.

We will take reasonable steps to enforce the policy and to make the Community and the building a smoke free environment, but you acknowledge that our ability to require renewing residents to agree to the policy and otherwise police, monitor or enforce the policy is dependent upon the full cooperation of all residents, guests and occupants. As a result, we cannot guarantee the Community or the building will be smoke free at all times.

A violation of this addendum or a violation of any law regulation smoking while anywhere at the Community shall be a material breach of the Lease.

A breach of any provision of this Addendum shall give each party all rights contained herein, as well as the rights in the Lease.

1. **Purpose of No-Smoking Policy.** The parties desire to (i) mitigate any irritation or health effects of secondhand smoke; (ii) reduce the increased maintenance, cleaning and redecorating costs from smoking; and (iii) offer tenants the market choice of renting an apartment in a community where smoking is not permitted.
2. **Definition of Smoking.** The term "smoking" means inhaling, exhaling, breathing or carrying any lighted cigar, cigarette, pipe or other tobacco, marijuana or similar lighted product in any manner or in any form and specifically includes any electronic smoking device.
3. **Smoke Free Apartment.** You agree and acknowledge that all portions of your Apartment home and, subject to the caveats above, the common areas of the Community have been designated as a smoke free living environment. You shall not smoke anywhere in the Apartment or the Community, and you shall not permit your guests, visitors, invitees or family members to smoke anywhere in the Apartment or the Community.
4. **Resident to Promote No-Smoking Policy and to Alert Landlord of Violations.** You shall inform all of your guests, invitees and family members that your Apartment has been designated as smoke free and that a violation of this policy could subject you to eviction and could subject any guest or invitee violating this policy to a trespass notice from us advising the guest or invitee that he or she is no longer permitted at the Community.
5. **We are Not a Guarantor of a Smoke Free Environment.** You acknowledge that our designation of your Apartment home as smoke free does not make the Owner or Agent the guarantor of your health or of the smoke free condition of your Apartment home or the common areas. You specifically acknowledge that no representations have been made or can be made that your Apartment will not experience any secondhand smoke that may migrate from sources outside of your Apartment home.
6. **Effect of Breach and Right to Terminate Lease.** A breach of this Addendum shall be a breach of the Lease and grounds for an eviction action by us.
7. **Disclaimer.** You acknowledge and agree that our efforts to adopt a smoke free apartment option and our designation of your Apartment home or the Community as smoke free do not in any way change the standard of care that we would have to render your Apartment home or the Community safer, more habitable or improved in terms of air quality standards than any other rental housing. We specifically disclaim any implied or express warranties that the apartment building or common areas will be free from second hand smoke. You acknowledge that our ability to police, monitor, or enforce the provisions of this Smoke Free Addendum are dependent in significant part upon the voluntary compliance by you and your guests and the other residents of the Community.
8. **Third Party Beneficiaries.** Other occupants of the Community are express third party beneficiaries of this addendum. As such, other occupants of the Community may enforce the provisions of this Addendum by any lawful means, including by bringing a civil action in a court of law.

Chemical Pesticide Notice

This is to inform you pesticides may have been applied to apartment/buildings in the past. California law requires that building owners and operators provide tenants with the following written notice concerning the application of pesticides:

CAUTION – PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Operators are licensed and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for the use by the California Department of Food and Agriculture and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence, there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized. *If within 24 hours following application, you experience flu-like symptoms: headaches, dizziness, nausea, tearing, coughing, nose and throat irritation, or develop shortness of breath, double vision, unusual drowsiness and weakness, tremors, bleeding, eye irritation, or skin irritation, contact your physician or Poison Control Center and the Property Manager immediately.*

Poison Control Center 800-222-1222

Disclosure Pertaining to Bed Bug & Pest Findings

It is our goal to maintain the highest quality living environment for our Residents. AvalonBay Communities, Inc. has inspected the unit prior to lease and knows of no bed bug infestation. Residents have an important role in preventing and controlling bed bugs. While the presence of bed bugs is not always related to personal cleanliness or housekeeping, good housekeeping will help control the problem by identifying bed bugs, minimizing an infestation, and limiting its spread. It is important to underscore that travelers are mainly responsible for the transfer of bed bugs.

Resident(s) represent(s) that all furnishings and other personal property that will be moved into the unit are free of bedbugs.

Resident agrees to maintain the premises in a manner that prevents the occurrence of a bedbug infestation in the premises. Resident agrees to uphold this responsibility in part by complying with the following:

Responsibility

- If Resident allows individuals or items carrying bedbugs, fleas, roaches or other pests into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises.
- Resident will be responsible for all costs of all inspections and treatments to the Premises and to their personal belongings.
- Resident will also be responsible for damage in surrounding units including inspection and treatment to eradicate the infestation (costs include but not limited to lost rent, pest control services, and personal belonging damage).
- Resident must not discard items or bring items to the trash or outside the Premises that have been infested with bedbugs (beds, bedding, furniture, luggage, etc.). These items must be kept in the unit to be treated by the pest control vendor. The cost of disposing of these items will be charged back to the Resident.

Preparation & Treatment

- Resident **must not** self-treat an infestation without first consulting the Community. Self-treatment may cause further infestation and the cost of treatment will be passed on to the Resident.
- Typically, treatment requires inspection of adjacent units, including units above and below the origin unit. The cost of inspection and treatment may be passed on to the Resident found to have caused the infestation.
- The process to prepare your unit for treatment is detailed in writing prior to treatment. Residents must follow the steps for preparation entirely; moreover, any deviation or delay by the Resident may require a reschedule fee which will subsequently be passed on to the Resident. This could also exacerbate the infestation, causing additional treatments to the origin unit as well as surrounding units. Resulting costs may also be incurred by the Resident.

- The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor.

Financial

- The Resident agrees to abide by the findings of the pest control vendor the Community chooses. This includes treatment options, schedule of treatment and ultimately who is financially responsible for all treatment costs.
- If a Resident is found to be liable for treatment costs, this cost will be charged back to the account ledger. It is expected the balance be paid in full at the time the balance is charged.

Housekeeping Suggestions to Reduce Bedbug Exposure

- Resident shall **check for hitch-hiking bedbugs**. If you stay in a hotel or another home, inspect your clothing, luggage, shoes, and belongings for signs of bedbugs before you enter your apartment. Check backpacks, shoes, and clothing after visits to friends or family, theaters, or after using public transportation. After guests visit, inspect beds, bedding, and upholstered furniture.
- Resident shall **remove clutter**. Bedbugs like dark, concealed places, such as in and around piles of clothing, shoes, stuffed animals, laundry, especially under the bed and in closets. Reducing clutter also makes it easier to carry out housekeeping.
- Resident shall **keep the unit clean**. Vacuum and dust regularly, particularly in the bedroom, being especially thorough around and under the bed, drapes, and furniture. Use a brush attachment to vacuum furniture legs, headboard, and in and around the nightstand. While cleaning, look for signs of bedbugs, and report these immediately.
- Resident shall **arrange furniture to minimize bedbug hiding places**. If possible, keep beds and upholstered furniture several inches away from the walls.
- Resident shall **cover mattresses and box springs with zippered covers that are impermeable to bedbugs**. These are relatively inexpensive, and can prevent bedbugs from getting inside the mattress, their favorite nesting spot. The covers will also prevent any bugs from getting out; they will eventually die inside the sealed cover (though this may take many months). Thicker covers will last longer.
- Resident shall **avoid using appliances, electronics and furnishings that have not been thoroughly inspected for the presence of bedbugs**. Make sure that electronics, appliance or furniture company has established procedures for the inspection and identification of bedbugs or other pests. This process should include inspection of trucks used to transport appliances, electronics or furniture. Never accept an item that shows signs of bedbugs. Never take discarded items from the curbside.

Information about Bed bugs

Bed bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about ¼ of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, the body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden. Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feedings.

Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts cause by the bites will not be noticed until many days after a person was bitten, if at all. Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.
